**Adults required:** Coach to run trainings and sub at games and a Manager

*Part of our nation's fabric, netball is one of our most popular team sports at TNIS. It must be something about the cold wintery conditions, but learners can form friends for life at the netball courts just around the corner from school.*

**Note: Spring Netball** is a more social competition which runs in Term 4 for netballers who want to keep their skills up, or play with different learners than they did in winter. These teams are organised by parents.
